

Trouble from the Start

Perfect for fans of Stephanie Perkins, Lauren Barnholdt, and Susane Colasanti, *Trouble from the Start* is a sweet and romantic read about a good girl who falls for a bad boy. Avery knows better than to fall for Fletcher, the local bad boy who can't seem to outrun his reputation. Fletcher knows he shouldn't bother with college-bound, daughter-of-a-cop Avery. But when their paths cross, neither can deny the spark. Are they willing to go against everything and let their hearts lead the way? Or are they just flirting with disaster? A companion novel to Rachel Hawthorne's paperback original *The Boyfriend Project*, this title is perfect for fans of summer beach reads and sweet treats.
