

The Wind in the Willows (Oxford Childrens Classics)

When Mole takes a break from his cleaning and wanders down to the river bank he meets the Water Rat, and a friendship is instantly formed. The two, together with Badger, spend a glorious summer playing about on the river, picnicking on the bank, and taking life easy. But when their hapless friend Toad gets into trouble they dash to his aid. Soon the four friends are fighting to save Toad from the dastardly stoats and weasels. After over 100 years in print this wonderful story still has the power to captivate its readers.
