

The Complete Papers And Writings Of Abraham Lincoln

Dodo Collections brings you another classic from Abraham Lincoln, The Papers And Writings Of Abraham Lincoln. This Special Edition contains selected papers and writings of Mr. Lincoln, carefully selected from the Lincoln Archives by historians, recognized experts in Civil War history and respected Lincoln scholars. It includes The Gettysburg Address and the Emancipation Proclamation, two of the most significant historical documents by Lincoln, and a cornerstone of our nations independence. It also contains an Introduction by Theodore Roosevelt, with The Essay on Lincoln by Carl Schurz and The Address on Lincoln by Joseph Choate. This book provides the reader with a rare glimpse into the intellect, humor and wit that made Abraham Lincoln one of the most important political figures not only in American History, but a man for and of the world at large and an icon for the ages. Abraham Lincoln was the sixteenth President of the United States, serving from March 4, 1861 until his assassination. As an outspoken opponent of the expansion of slavery in the United States, Lincoln won the Republican Party nomination in 1860 and was elected president later that year. During his term, he helped preserve the United States by leading the defeat of the secessionist Confederate States of America in the American Civil War. He introduced measures that resulted in the abolition of slavery, issuing his Emancipation Proclamation in 1863 and promoting the passage of the Thirteenth Amendment to the Constitution in 1865.
