And shes inherited a legacy she knows nothing about from a family whose existence shes never heard of. Until now.Nicholas Carter is content with his life at sea, free from the Ironwoods-a powerful family in the Colonies-and the servitude hes known at their hands. But with the arrival of an unusual passenger on his ship comes the insistent pull of the past that he cant escape and the family that wont let him go so easily. Now the Ironwoods are searching for a stolen object of untold value, one they believe only Etta, his passenger, can find. In order to protect her, Nick must ensure she brings it back to them-whether she wants to or not. Together, Etta and Nicholas embark on a perilous journey across centuries and continents, piecing together clues left behind by the traveler who will do anything to keep the object out of the Ironwoods grasp. But as they get closer to the truth of their search, and the deadly game the Ironwoods are playing, treacherous forces threaten to separate Etta not only from Nicholas but from her path home forever.
