

Thirst No. 1: The Last Vampire, Black Blood, Red Dice

At five thousand years old, the vampire Alisa thought she was smart enough to stay out of trouble. But when her creator returns to hunt her, she must protect herself by befriending Ray, the boy who may be her only chance at finding her maker. When she begins to fall in love with Ray, all of a sudden there is more at stake than her own life. Originally published in 1994, this series netted more than 500,000 copies as individual titles and later as bind-ups. This hot new repackage will revive the series for today's teen.
