

## Suddenly Sam (The October Trilogy Book 3)

Suddenly Sam The October Trilogy, Book Three Samhain is running out of time. When the clock strikes midnight on Halloween, the door to his realm will close forever, and any precious hope he possessed of winning the heart of the woman he would choose as queen will vanish along with October. A desperate lack of time calls for desperate measures, and Sam finds himself pushing boundaries and breaking rules to claim the heart he loves. But there is more at stake here than even the Death God realized, and as the long hand climes toward Octobers final moments, what is truly to be gained and truly to be lost becomes all too terrifyingly clear. Logan Wrights world spins out of control as she is dragged unwillingly into the realm bordering Samhains kingdom. But what begins as a struggle to free herself from Sams clutches and leave the new yet achingly familiar land she has entered becomes a journey of dawning understanding and self discovery as October Land, in all of its amber-hued splendor and Autumn magic not only captures her body and soul, but the very heart she is trying so desperately to protect.

Somewhere between the mortal realm and the Realm of the Dead, in the fantastical world of apple orchards and pumpkin patches, cinnamon spice, and midnight masquerades, ten friends quest for power, freedom, and salvation and one must make the ultimate choice. And the ultimate sacrifice. Suddenly Sam is the anxiously awaited third and final heart-pounding novel in the award winning young adult paranormal romance trilogy The Third Kiss, by New York Times and USA Today bestselling author, Heather Killough-Walden.
