

Peter Mayles Provence: Including A Year in Provence and Toujours Provence

When Peter Mayle and his wife traded Englands long, gray winters and damp summers for life in southern France, they entered an enchanting, wonderful, sometimes bewildering world. Now, share their adventures, pleasures, and frustrations: the joys and occasional hazards of wining and dining in France, taking part in goat races, attending a Pavorotti concert under the stars - and much more. Meet Provences unique characters: a wary truffle hunter, a gourmet in a track suit, the wise and crafty Massot - and many more. Funny, touching, endearing - Peter Mayles Provence proves the adage that while you may not be able to escape from it all, you sure can have fun trying.
