You can often hear people talking about the love handles or holiday bulge theyve been struggling with, while referring to their metabolism. As doctors try to explain why starvation and water-loss diets are medically irresponsible, they usually use that term too: Metabolism. Since this intimidating and biologically-charged word is used quite frequently in our world, we assume that people understand it, right? We think they at least have the basic information on what speeds up their metabolism, right? Well, wrong! Let us learn more about metabolism and understand the dos and donts of metabolism. Here Is A Preview Of What Youll Learn... Understanding Metabolism What Is Metabolism? Tips, Techniques and Strategies for Boosting
