

Trivia Quiz & Pub Quiz Book: InQUIZitive (Volume I & II Combined)

For too long, have books on trivia quizzing focused on memorization of facts. This book promises to be different. It features trivia quizzes where it is fun to work out or deduce the answer. And even if you are unable to work out a particular question, you will be left with a Shucks, I should have guessed that feeling once you see the answer. The questions have been structured in a way that you will remember them for a long time to come. This is the book that you should gift your children if you want to get them interested in Trivia Quizzing. Please note: This volume of InQUIZitive is a combination of the previous two volumes.
