

Turning Green: Home Run Edition & Touchdown Edition, Grade Level 4-7 (Go Reader Classroom - the Future Stars Series)

The Earth is under attack: global warming, water and air pollution, coral reef bleaching, pesticides in the foods we eat, and toxins in the products we use every day. The good news is that each of us can help. Because of brave individuals like Jessica Assaf, the world is slowly Turning Green again. When this teenager found out that harmful chemicals were hidden in the cosmetics she put on her face every day, she decided to do something about it!
