

## Vengeance (Private)

After the devastating events at Reeds birthday party, Noelle is determined to put the past to rest, but Reed is adamant about rebuilding Billings. Coming up against endless roadblocks from the headmaster, not to mention Billings alumni, Reed will not let her legacy end with a pile of rubble. As if that werent enough, old ghosts come back to haunt to the Billings Girls. Reed has been through the ringer in her time at Easton and she starts to wonder if maybe she can even make it out of this place alive. The bestselling Private series comes to a shocking conclusion!
