

Vocabulary for the College Bound-Green

With Vocabulary for the College Bound, it has never been easier to raise student test scores, increase comprehension, and expand vocabulary. This highly structured, but simply organized program succeeds in raising verbal scores on standardized tests and expanding sight vocabulary year after year because it emphasizes the basics: demonstration, practice, study, and review.

This time-tested, six-book program includes lessons on synonyms and antonyms, words in context, sentence completion, and analogies. There are many exercises on roots, prefixes, suffixes, and inferences. Recommended for grade 8. This is a student classroom edition. Tests and answer keys are available from the publisher but are only sold to teachers and schools.
