

## Walk The Edge (Thunder Road, Book 2)

High school senior Thomas Razor Turner knows his family has a dark history as part of the Reign of Terror motorcycle club, especially when it comes to the secrecy surrounding his mother's death. When Razor starts to dig deeper into his mother's case, he turns to the unlikely source for help: classmate Breanna Miller, the shy, smart girl he's never looked twice at. But the more time they spend together, the more they realize they actually have in common, and how attracted to each other they really are. When secrets from the past are revealed, can their newfound feelings survive?
