

Luna Bay #6: Heart Breakers: A Roxy Girl Series

Now that Valentines Day is just around the corner, Luna is feeling the blues. Shes been longing to be with her boyfriend, David, who lives all the way across the country in Florida and who she hasnt seen in months. Sure, she and David e-mail, but thats not enough. She wants to see him. Despite her loneliness, Luna gets a reprieve when a tall, blond dreamboat washes up on her shore. His name is Sean, and like Luna has a natural-born board rider from a family of die-hard surfers. Their chemistry is undeniable, and Luna cant remember when shes had so much fun with a guy. But when David shows up as a Valentines Day surprise, Luna finds herself caught in the middle of a love triangle! Soon David and Sean engage in an all-out tug-of-war with her heartstrings -- leaving Luna to wonder whose heart will get broken in the end. Its all about a passion for the sport ... and life.
