

Dont Play the Slot Machines (Until Youve Read This Book)

Michael Geller, a slot machine fanatic as well as a casino employee, illustrates every minute detail involved in the world of slots. He reveals strategy and mental techniques, game ethics, slot computer chip function, and even the schemes that the casinos can employ to take your money. Providing a view and advice from the inside, Geller explains everything from the slot technicians to the most frequently asked questions of casino customers. He covers every aspect of the game while delivering his wisdom regarding strategy. Take Gellers advice and Dont Play the Slot Machines (Until Youve Read This Book) and your next experience with the one-armed bandits will easily be a more profitable and entertaining one.
