

Westminster Shorter Catechism Copybook, Modern Cursive with Narrow Lines: A Classical Copybook for Kids: Important Copywork for Children of All Ages

This Westminster Shorter Catechism Copybook provides excellent handwriting practice for students of all ages. This catechism contains one question and answer per page, followed by lines for copywork. Frequently, younger children are assigned copywork to teach grammar, vocabulary, and writing; however, older children, without the proper reinforcement of handwriting practice, often develop poor penmanship as they try to hurry through their upper level course work. To maintain proper handwriting technique, a must for future collegiate exams which frequently require handwritten essays, older students also reap huge benefits from copywork and penmanship practice. The Westminster Shorter Catechism Copybook provides that important handwriting practice for students of all ages. Available in traditional cursive, modern cursive, italic cursive, and vertical cursiveruled and narrow lines for all.
