

Phat Girl & The Sankara Parasite

A dark fantasy tale about a girl bullied to the edge of suicide : : Turning the traditional approach to bully situations on its head, this gritty dark fantasy tale follows a schoolgirl who is bullied to edge of suicide, as she successfully etches out a journey of personal growth from a place of extreme despair. Her visits to an alternate world, a reflection of her own world, provide guided realization wherein she finds the strength, and know how, to not only put an end to her own bully situation, but become a young advocate promoting the school anti-bullying policy, and more.
