

## Wicked Kiss (Nightwatchers)

My kiss can kill. I used to be ordinary Samantha Day, but that's changed. Now, after one dark kiss from a dangerous boy, I can steal someone's soul or their life. If I give in to the constant hunger inside me, I hurt anyone I kiss. If I don't hurt myself, Bishop is the one whose kiss I crave most, but if I kiss him, I'll kill him. Then there's another boy, one I can't hurt. One whose kiss seems to miraculously quell my hunger. They're both part of a team of angels and demons that joined forces in my city to fight a mysterious rising darkness, an evil that threatens everyone I know and love. I just wonder if I'll be able to help Bishop or if I'm just another part of the darkness he's sworn to destroy.
