

MCSE Windows 2000 Professional Exam Cram Personal Trainer (Exam: 70-210)

Provides a unique personalized self-paced training course based on the MCSE Windows 2000 Professional Exam Cram. Features multiple practice test formats covering adaptive, fixed-length, scenario-based, random, and topic-specific exams, as well as review and test-all options. Bonus: extra practice questions can be downloaded from the Coriolis Web site at no charge. Blends learning content with test questions---students can link directly from practice questions to book content for quick reference and in-depth information. Allows students to create an interactive Personalized Cram Sheet and print only the information they choose for extra study options. Contains Notes feature that allows student to electronically attach notes to specific lessons and test questions that can be reviewed at any time.
