

Windows Vista Service Pack 1 (X.systems.press) (German Edition)

Etwa ein Jahr nach dem Erscheinen von Windows Vista hat Microsoft das erste Service Pack herausgegeben, das viele Fehler der Originalfassung korrigiert und neue Funktionen einführt. Dieser Band beschreibt detailliert alle Änderungen und Neuerungen. Der Fokus liegt auf der Vista Administration in Unternehmen, daher wendet sich das praxisorientierte Buch an Administratoren und versierte Computeranwender, die Erfahrung mit Windows-Netzwerken haben. Es ergänzt den Band Windows Vista (ISBN 978-3-540-38882-1) desselben Autors.
