

Windows XP Pocket Reference

Windows XP Pocket Reference is a handy book for power users and system administrators who need a solid reference with quick answers, but not a lot of explanation. This book is a powerful tool that quickly covers XP's applications and tools, tasks and settings, and commands. Windows XP Pocket Reference covers the following topics: Getting Started, Mouse and Keyboard Shortcuts, Components of Windows XP, Setting Locator, Registry Tweaks, Command Prompt & Recovery Console, Error Messages, Packed with information in an easy-to-read format, Windows XP Pocket Reference is perfect for someone familiar with Windows who wants to get the most out of Windows XP or needs to support other users as part of their job.
