

Taryns Pictures: Photos from Taryns Camera

Ever wondered what the rest of Taryns pictures look like? That is, the ones without the ghosts? Taryn Magill loves her abandoned houses, old buildings, and isolated places. Shes an urban explorer at heart! When shes not painting, shes busy putting her beloved camera, Miss Dixie, to work. Together, theyve been on hundreds of adventures. In this companion book to the Taryns Camera series, youll find more than 140 pages of full-sized photographs taken from the five books in the series, as well as a few extras from the series last book, SARAH'S HOUSE! From the skeletal jungle of Driftwood Beach to interior shots of the REAL house that inspired Windwood Farm, fans of both the series AND abandoned houses will enjoy a quick and fun peek into the REST of Taryns world!
