

TURF STARS: Horses to follow Flat season 2015

Turf Stars is a list of exciting young horses to follow during the 2015 Turf Flat racing season. The horses were carefully selected by the vastly experienced racing journalist and broadcaster Kel Mansfield who has worked in the great sport of horse racing for more than 40 years. There are essays about each of the 30 horses describing their previous form and possible targets during the new season. The essays include many quotes from trainers, jockeys and connections. The book also contains betting strategies, staking plans and advice on how to follow the horses in Turf Stars and enjoy the thrilling sport of racing to the full.
