

## Wolf Queen: Claidi Journals 3

Claidi, the witty diary writer who captivated readers in *Wolf Tower* and *Wolf Star*, is back to complete her trilogy and delight her loyal fans. Our intrepid heroine has finally returned home for a reunion with her fiancé, Argul. But someone has poisoned everyone against her, and Argul is nowhere in sight. Seeking answers, Claidi encounters the Ravens, bird worshipers of the icy North. Among them she meets a woman who just might be her mother. Adventure, magic, and intrigue abound, from secret identities to people who fly . . . and a mystical arranged marriage, with Claidi as the bride-to-be. Suspenseful and crackling with wit, this showstopping conclusion to the Claidi Journals trilogy leaves no doubt that Tanith Lee reigns supreme in fresh, compelling fantasy.
